

SRM-TPE1

Earth Terminal Block
接地端子台

产品特点 FEATURES

- 完全代替传统接地端子台；
- 安装方便、快捷
- Replaces conventional wiring method;
- Convenient and quick installation.

注意事项 Note

本端子台与外壳间绝缘，如果需要将端子台与电箱外壳导通，请单独连接。
The terminal station and shell are insulative, and if terminal stations and electric box shell need to be conductive, please connect separately.

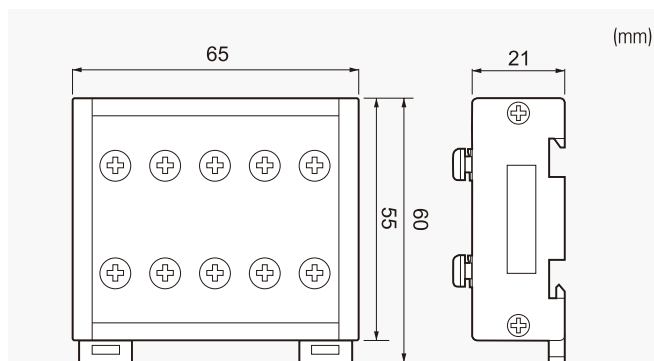

规格参数 SPECIFICATIONS

• 额定电流 Nominal operating current	15A
• 适合电线 For wire	2.5mm ² Following/AWG13

适合压着端子 SUITABLE FOR TERMINALS
